Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Inclusion of disabled artists into the creative process, valorisation of their works, promotion of non-conventional art</i>
Description or summary of the proposed project	<p>Signes de Sens is looking to partner with organizations to develop and experiment with innovative approaches to facilitate the transition towards an inclusive culture. This collaboration aims to work with artists with various disabilities to co-create instruments that can help them easily share their artistic work results with spectators and valorise its results. With 20 years of expertise in accessibility and artistic inclusion, and strong partnerships with different institutions in France, we have developed a deep understanding of these issues. We are now seeking a new partnership in Europe to continue our activities.</p> <p>We propose to establish an international laboratory to</p> <ul style="list-style-type: none"> - collaboratively develop innovative approaches for cultural inclusion and accessibility. -conduct interdisciplinary experiments.
