

## Rates for the reimbursement of costs of volunteers' work on the basis of unit costs

The Call for Proposals EAC/S17/2019 allows for the work performed by volunteers to be considered as acceptable co-financing.

In-kind contributions from third parties in the form of volunteers' work valued in accordance with Article 181(8) of Regulation (EU, Euratom) 2018/1046 shall be presented as eligible costs in the estimated budget. They shall be presented separately from other eligible costs.
